SHIRE NEWS:

Happy Birthday to Lady Cicilia Corsini who will celebrate her birthday before our next shire meeting.

Congratulations to Lord William the White and m'lady Thora of Heronter who have recently announced their engagement. They've laid claim to October 10th as their big day, so mark your calendars!

Condolences and best wishes for a speedy recovery to Lady Catherine Sheffield who slipped on the ice during the Christmas season and broke her hip.

Condolences and best wishes for a speedy recovery to Lady Katherine Robyn of Rhydderich Hael, the wife of Master Brian of Leicester. She was recently hospitalized for a serious infection.

Condolences and best wishes for a speedy recovery to Jessica of Rhydderich Hael. She was in a car accident on her way to the Storming the Castle event. The car was completely totaled. Jessica escaped with a broken nose, a bruised right leg and a minor concussion.

Condolences to the cooks for the East Kingdom's 12th Night. They prepared a meal for 300+ people and the event site announced that the site would not be opening due to the inclement weather. The event was held the following weekend. They had to re-prepare most of the meal.

The Literacy Volunteers of Chautauqua County are holding a book sale on the second Saturday of every month (which means the next one is St. Valentine's Day, Feb 14th) from 10:00 AM to 1:00PM. The location is 314 Central Avenue, Dunkirk New York, upstairs in room 204.

Why Join the SCA? -- Recently, there was a discussion on our Yahoo Group where various members explained why they joined the SCA.

From Bjorn Einarsson:

Why did you join the SCA?

I joined because of a demo. At the Scandinavian Folk Festival I saw Dorinda and she invited me to go see the demo she was a part of. There I was welcomed by Tronose who invited me to play Kubb, Cigfran who gave me a taste of mead, and Dagonell who put an axe in

my hand and let me throw it. On my second throw I knocked the target over and right then I was hooked. At the next meeting each of these people remembered me from the demo and made me welcome.

Why are you still in the SCA?

Friends. Besides those mentioned above, I dare not start listing all who shared good times and lent me gear and taught me things over the years, for fear of leaving anyone out (and because I can only spell the names of about half of you). Also numerous folks from other groups like the good Gentles from Rhydderich Hael who invited me to share their table at my first Harvest Raid.

What are you interested in?

Chivalry, that Honor is still respected, sometimes even over Victory or Rank.

Norse Culture and re-enacting it.

Trying a new activity every year.

Is there something that you want to learn?

If there is anything better than being a Viking.

How to turn lead into gold.

How to fight as a part of a unit in a field battle.

How to entertain at a bardic.

What is a favorite memory of our group?

Seeing my first induction of members into the Order of the Tart.

From Errolle Ferdnan d'Courte d'Leone de Pyrenees:

Why did you join the SCA?

Ben Cooper, Brian Tobin, Merideth the Mask Maker, Angus Long axe, Stephanie (Kiko at the time) the Baroness before Caleb, Caleb, Ivan and many others who showed me that HONOR was not DEAD

Why are you still in the SCA?

Dorinda, Brian Newman, Brian Tobin (Had to put him in still), Will, Margerite, Ned (god love him), Alan (our Brother in so many ways), oh, and a little fencing and of the other herons whom I would give my blade-yes Josh this means you too.....

What am I interested in?

Fencing, helping others including those who would make ill of me

Is there something you want to learn?

More compassion.

Those without armour, fear not there will be a place to have hands on help building armour. And hopefully enough time to finish before Sunday. ***The Festival of the Passing
of the Ice Dragon***

Barony of the Rhydderich Hael
The WNY Event Center
All Under One Roof!
Saturday March 28th, 2009
A.S. XXXXIII

***"ITS GOING TO BE ONE
FLOOPING BIG, FUN LOVING,
ELEGANT BEASTIE"
-UNKNOWN HAEL SCHOLAR***

As the end of October nears , we can feel the Ice Dragon's breath upon the lands of our beloved Aethelmearc. With each rush of it mighty wings we can feel the great winds. Soon our lands will be covered with the ice and snow that The Ice Dragon brings with it. Aye, winter can be beautiful, but the hope of Spring is always on the edge of our thoughts. After a winter of indoor events, fighting and fencing indoors, and all that comes with those long winter months we will all be looking forward to Spring and the passing of the Ice Dragon from our lands.

We will celebrate that day with the Annual Festival of the Passing of the Ice Dragon on Saturday March 28, 2008 in a brand new venue; The WNY event Center. Why is this so exciting? First of all, Ice Dragon will be under one roof and secondly there will be ample parking spaces very close to the massive building. Thirdly, and maybe most importantly, it is symbolic of Ice Dragon's rebirth. We are taking the best of all the Ice Dragons that came before and adding some new twists, activities and new looks. Let this be a celebration of all the great things Aethelmearc has to show and share it with our cousins from nearby Kingdoms.

The Pageantry, pomp and circumstance that have always made Ice Dragon the jewel of the Kingdom shall be

welcomed, cultivated and encouraged. May the halls be filled with banners, sheet walls, and decorations reflecting the many lands and people of the Known World. Let the songs and stories of bards fill the air. Let there be laughter, joy and good conversation between good friends and comrades. Bring your picnic baskets, toast with your drinks and celebrate spring and all it has to offer us happy SCA-dians. The Passing of the Ice Dragon is that time to rejoice, fondly remember the joys from winter when cousin did not see cousin due to harsh elements that impeded travel. Let this festival be a time of joy to celebrate the camping events, and great field battles to come.

Ice Dragon will host the one of the greatest displays of A&S in the known world in the famous "Pent". Rattan, fencing and thrown weapons will be part of Ice Dragon. Plans are in the works to add a twist or two to make this year even more exciting. Just a hint, we suggest that the heavy weapons and fencers pass the word to members from other Kingdoms and make some challenges. There could be some Kingdom pride on the line.

We encourage entertainment, music and dance and will make sure that the great gathering areas will have access and accommodate these pursuits. So far we have the "Open Horn Bardic Stage" already planned. Just check that link for details. A Post court Dance Party is in the plans, and there will be games for children and adults. More fun to come so keep checking back.

The Ice Dragon Food Tavern will be open for business as always. We have also listed nearby restaurants and grocery stores. Just check the site map buttons in the left hand column. We encourage people to bring food and stay and feast outboard style.

This is just the beginning. More info to come.
